ARTi Gras 2016

Artist Opening and Juried Art Show

February 4, 2016

The Saaski Gallery together with the Monroe Chamber of Commerce and the Monroe Arts Council welcome you to **ARTi Gras 2016**, created to promote and fund the arts in Monroe and the Sky Valley, and to support the continuing renovation of the historic Wagner Center for the Performing Arts. The Artist Opening and Juried Art Show is the first event of ARTi Gras, followed by the Masquerade Ball and Auction to be held on Saturday, March 19th.

Our talented local artists have submitted dozens of pieces for judging which are shown on the following pages. The judges have awarded 1st, 2nd and 3rd prize certificates and one honorable mention. In addition, during the Artist Opening event, guests will be invited to cast their votes for a "People's Choice" award.

We thank the artists for submitting their artwork for the **ARTi Gras** juried art show, and we are grateful to our guests for their support of the Monroe arts community.

The Saaski Gallery offers a wide range of artistic styles in its international collection. Art lovers of every persuasion will find pieces to satisfy their décor needs. The art is created by local artists in the Pacific Northwest, Australia and Japan. We have unique pieces in a variety of media, including acrylic, water color, pen & ink, giclee, mixed media, ceramic, bronze, glass, and wood.
